

**Honor
Remember
Celebrate**

Marshfield Rotary Club, working with the Marshfield Tree City Advisory Committee in cooperation with the Missouri Department of Conservation for the City of Marshfield, is providing opportunity for you to honor and celebrate individuals, occasions, groups or businesses by sponsoring the planting of a tree or a bench.

The Rotary Club will engrave in granite and place on the Heritage Celebration Trailway in honor or memory of all you celebrate such as a lives lived, births, anniversaries, birthdays, awards, events, accomplishments, and special occasions you want to commemorate.

Planting will continue until the design is completed with trees. The orders for granite markers will be accepted anytime. If trees are already in place, a marker can be placed in a timely manner. Also more orders will be taken for future planting.

Volunteers are encouraged to help the Rotary Club and the Tree City Advisory Committee on planting dates.

become the best bloomin'
little town in the Ozarks!*

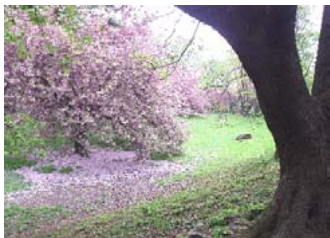

Heritage Celebration Trailway

Marshfield Rotary Club, working with the Tree City Advisory Committee assisted by the Missouri Department of Conservation for the City of Marshfield, is the sponsor organizing the planting of the Heritage Celebration Trailway in the Rotary Park.

Plans are to plant trees each spring and fall to accommodate requests to honor what our friends and neighbors celebrate. The first line of the granite bricks will be engraved with the name of the tree to educate those who enjoy the trail. The second line will have the name of the honoree. A third line on the 4 x 8" brick can have engraved dates, or other choices. The 8 x 8" brick will have fourth, fifth and sixth lines available to add information. There is room for fourteen characters and spaces per line.

The check should be written to Heritage Celebration Trailway-Rotary Club.

Volunteers are helping to plant a variety of tree species which have been selected to beautify, educate and add enjoyment.

Trees

A tree planting design has been professionally drawn and is available for viewing at City Hall or by contacting Rotary.

Civic minded citizens are working with the Marshfield Rotary Club and the Tree City Advisory Committee on behalf of the City. Some trees will be planted and in place readily available for the engraved granite brick to be permanently set. Also orders will be taken for more trees to plant. The cost of a larger tree with an 8 x 8" brick with up to six lines of engraving is \$100. The cost of a smaller tree with a 4 x 8" brick with three lines of engraving is \$50. You might be able to choose the tree species if that tree is available at the time the order is received by the Rotary Club.

Add to the beauty of our community and enhance our heritage.

Commemorative Benches

Certain locations are designed to accommodate granite benches. One large line of engraving on the edge of the bench seat will be readable from a distance. More wording will require using smaller print. Current cost is \$750.00 for a granite bench which includes engraving and permanently setting into place on a granite slab. Benches will be placed in areas where shade trees will grow and provide a place for resting along the hiking/biking trail as people enjoy the many varieties of trees. The handicapped accessible trail will grow to add pleasure to all who visit the Rotary Park.

Engraving information: *Please give detailed, clearly printed engraving instructions on the form provided.*

Order form for trees or benches

\$100 - Larger tree with 8 x 8 brick

\$50 - Smaller tree with 4 x 8 brick

\$750 - Granite Bench with 1 line engraved
