This interview can NOT be conducted at the same time as the HOST FAMILY ORIENTATION.

It is recommended that, IF POSSIBLE, the host families be identified early in the process and that they be oriented together. This gives the families the opportunity to get to know one another and eliminates the Inbound Counselor or YEO from having to conduct three separate Host Family Orientations. Ideally, the host families will have received the Host Family Manual prior to the Orientation so that they have a better understanding of the Youth Exchange Program and can develop their own questions about what is expected of them, what they can expect of the student and what support they can expect from YOU, the Inbound Counselor.

This form MUST be returned to the District Youth Exchange Office. It is REQUIRED in order for us to apply for the student's DS2019 which, in turn, allows him/her to apply for his/her visa.
